BestPack's Best Selling Carton Sealers

MSD Manual Sidedrive
Simple Pack
& Seal System

Most Popular
Carton Sealer

Buy it for as low as

\$5,153*

Our flagship model. This system comes with casters and infeed & exit conveyors making this the cost saving "problem solver" for your carton sealing applications.

AS Automatic Sidedrive
Fully Automatic
Uniform Carton Sealer

Suggested Retail Price

\$15,140*

The AS fully-automatic uniform carton sealer is designed to meet your high volume carton sealing needs, operator free. This system is built solid and compatible with the optional ARX Indexer.

MSDBF Manual Sidedrive
& Bottom Flap Folder
All-in-One Form/Pack/Seal Station

Buy it for as low as

\$7,746*

The MSDBF is a solution geared towards increasing output and reducing operator repetitive motion. This all-in-one station allows for an operator to form, pack, and seal a box efficiently without the need of a costly carton erector.

**price reflects 2" carton sealer*

BestPack's Full Line of Machine Grade Carton Sealing Tape

BP Tape (Acrylic)
Pressure Sensitive Tape
for Industrial Applications

- Excellent Clarity & will not Discolor Over Time
- Usage in Extreme Temperatures (ideal for freezer/cold & high heat temp. applications)
- Resistant to sunlight and other UV light sources

BestPack's industrial grade pressure sensitive acrylic packaging tape uses a specially formulated film and premium grade adhesive for added consistency and quality.

BG Tape (High Tack)
An Aggressive Acrylic
Tape for Difficult Applications

- Good, Quick Initial Tack
- Excellent Clarity & will not Discolor Over Time
- Usage in Extreme Temperatures (ideal for freezer/cold & high heat temp. applications)

By adding better quick tack properties to the benefits of acrylic tape, BestPack's BG product is a perfect alternative to Hot Melt Tape.

HT Tape (Hot Melt)
General Purpose Tape for
Light to Heavy Duty Applications

- Good, Quick Initial Tack
- High Shear
- Consistent & Easy Release
- Adheres to dirty, dusty, soiled substrates and plastics.

Using BestPack's specially formulated cast film and ISO9001 quality standards, BestPack offers a consistent and durable hot melt tape for those applications needing quick tack & high shear capabilities.
