ESHB

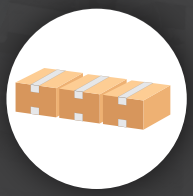

AUTOMATIC STRAIGHT FEED SUCTION CUP CASE ERECTOR

Our BestPack™ Packaging ESHB is an innovative high performance carton erector/sealer using a bottom carton pull system in the hopper. The ESHB is designed for RSC cartons where both L x W have the same measurements (square cartons) and also standard rectangular cartons. The ESHB erector is built for heavy usage with quick and simple carton size change over. If you are looking for a simple yet heavy built carton erector, this is a must-see unit.

All BestPack units are available in our standard baked enamel finish and food grade 304 stainless steel for 21 CFR 110 compliance.
