# BESTPACK

MS2B2T

MANUAL SIDEDRIVE 2 BOTTOM & 2 TOP CARTON SEALER

The BestPack™ MS2B2T Series carton sealer is operator-fed and adjustable. It is designed to lay two strips of tape on the bottom and two strips of tape top of the carton. This becomes necessary where the major flaps do not meet in the middle of the carton, and the cost of staples is not acceptable. This series sealer eliminates all together the need for staples or glue on the bottom and the top of the carton. The sealer has four tape heads, with two side belts driven by two electric 110V UL approved motors.

EXTRA ACCESSORIES TO IMPROVE EFFICIENCY

LOCKING CASTERS
The heavy duty locking casters allow the carton sealer quick and easy mobility to other locations.

SPARE TAPE HEAD
Order a spare tape head with your machine to minimize down time. Having a spare will allow you to drop in a tape head with a new roll of tape in no time!

SHORT OR LONG INFEED/EXIT CONVEYOR W/ L-BRACKET STABILIZER
This 19.75" short or 39.5" long conveyor is a great work platform and allows for staging of cartons on the infeed and the exit.

SPARE PARTS KIT
Spare Parts Kits may vary based on machine
Minimize downtime with BestPack's Spare Parts Kit.

FOOD GRADE 304 STAINLESS STEEL
This machine is available in 304 stainless steel which is food grade safe for food applications.

3 FLAP FOLDER
This accessory adds automation to your adjustable manual carton sealer. The operator only need to close the rear minor flap and push the carton into the unit, the carton sealer does the rest.

CARTON SEALING TAPE
Put high quality tape on your BestPack Carton Sealer. Make sure to order machine length rolls for your new carton sealer.

HIGH SPEED MOTOR
High Speed Motor Upgrade (up to 125 ft.)
