

AC Tape Head

Pressure Sensitive Carton Sealer Tape Head

The BestPack pop-out AC High Speed Tape Head is time proven and our work horse pressure sensitive taping system used in the majority of our BestPack carton sealers. This tape head can handle a wide range of applications, from our standard speed belt drive of 78 fpm to our super high speed belt drive system of 180 fpm. The AC Tape Head is designed for very soft under-filled cartons to overfilled heavy duty cartons. This tape head also handles a wide range of film thickness and adhesive types.

Key Points of the Tape Head

High Speed Design

Knurled Brass Roller

Optimizing Arm

Features

- Heavy Duty – Allows the Tape Head to be Durable and Long Lasting
- High Speed Design – Flexible for Standard & High Speed Applications
- Brass Knurled Roller – Handles Acrylic and Hot Melt Tape with Minimal Adhesive Build-up
- Tension Adjustment Knob with Heavy Duty Tension Spring – Allows the Tape Head to Handle Acrylic, Hot Melt and Natural Rubber Adhesives
- Optimizing Arm for Smooth Tape Roll Unwind
- Designed to Handle 1,000, 1,500, and 2,000 yard Length Machine Grade Tape Rolls
- Tape Erect Plate System Allows for Proper Position of the Tab for Both Acrylic and Hot Melt Tape
- Tab Length Adjustment of 2.5", 2.75" and 3.0"
- Side Plate Cut Away – Easy Tape Threading

- Pop-out Tape Heads – Tape Heads can be Changed Quickly and Easily
- Application Wipe Down Rollers/arms have Full Spring Adjustment for Difficult Applications from Very Soft Under-filled Cartons to Heavy Overfilled Cartons
- Tool Steel Knife Blades for Long Cutting Life

Tape Head Options

- 2", 3", 4", standard 6" and 6" motor assisted tape heads
- 6" tape heads are available for acrylic and hot melt adhesives
- Food Grade 304 Stainless Steel
- Optional narrow blade harness for very narrow cartons
- Extra light upper application and wipe down spring for very light under filled cartons
