

## CSD

### FULLY AUTOMATIC RANDOM SERVO CARTON SEALER

The BestPack CSD is a top-of-the-line fully automatic carton sealer that utilizes advanced servo motor technology for precise and efficient sealing. It offers a cost-effective solution for high-speed carton sealing with its exclusive 2" or 3" pop-out pressure-sensitive tape heads and patented tab adjustment design. The CSD also includes a no-cost low tape no tape feature and remote connectivity for improved troubleshooting and increased production efficiency. Additionally, the machine has been designed with a lead screw for enhanced accuracy and positional repeatability, resulting in a smoother and quieter linear motion. A major feature of the CSD is its VPN wifi module providing **FREE** level 1 phone tech support. Furthermore, The machine also equips with DAS system which provides real-time insights on production metrics such as OEE and tape usage. It is the best option available in the market.
