# **BESTPACK'S RECYCLABLE & BIODEGRADABLE TAPING SOLUTION**

**easily integrates w/equipment**

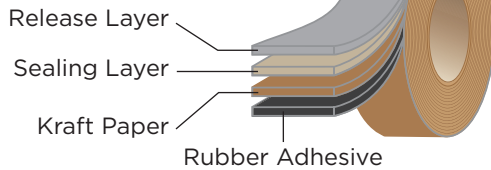

## **PRODUCT DESCRIPTION**

A truly sustainable general purpose tape for sealing corrugate boxes. BestPack's paper tape is a recyclable and biodegradable taping solution that is available in machine length rolls to easily integrate into your current packaging line. A special resin treatment makes it highly moisture-proof and gives it excellent durability against high and low temperatures. Paper tape is your start to a more sustainable tomorrow!
