

BestPack Packaging Systems Agreement to Acquire Excel Packaging

BestPack is pleased to announce that we have entered into a definitive agreement to acquire Excel Packaging, a leading provider in packaging equipment and supplies.

The acquisition with Excel Packaging, based in Rancho Cucamonga, CA strengthens our position as a leading solution provider in the packaging industry. The combination of Excel Packaging's diversified packaging offerings with our reliable packaging equipment & tape will provide our clients with more packaging solutions moving forward. This partnership is expected to result in greater efficiencies, wider range of solutions and better experiences for our customers.
